Conduct of Examination

- Online examinations are conducted through a remote proctoring system.
- The examinations are conducted with all the security arrangements ensuring transparency and credibility of the examinations.
 - **Secure Browser-** We use a custom application which is pre-installed in the machine for the examination that prevents the opening of any other windows or applications. This application prevents screen capturing, recording and remote login.
 - **Remote Proctoring-** This involves image capturing in intervals and video streaming of the candidates and the screen capturing of the current access screen of the candidate.
 - **Data Encryption-** The online examination system data is encrypted to prevent any kind of misuse. Question Banks and the other examination data is stored in a highly secured and encrypted manner. The entire communication between the server and the student system during the examination is encrypted with a secure mode of communication.
- The attendance of the examinees is authenticated by verifying using Biometric facial recognition using Aadhaar details of Indian learners or the passport (International learners) before the start of the examination.
- The video recordings and live screen capturing images of the examination are recorded for every student and keep in archive for 5 years.
